

Coproduction Program

Terms and conditions of participation

This program is part of the Audiovisual Market of Central America and the Caribbean, developed by the Costa Rica Film Commission. This program seeks to offer Central American and Caribbean producers an exclusive platform to show their projects to potential co-producers from around the world. Producers will have the opportunity to request one-to-one meetings with international producers who will participate in the MAUCC and who have some affinity towards the format, theme, genre or type of project to achieve a synergy that ends in the production of an audiovisual. In addition to the meetings scheduled one by one, the participants will be able to generate new contacts and increase their networking network. Para participar de este programa hay 2 modalidades:
